**City of San Diego**  
**Sixth District**

**MEMORANDUM**

DATE: November 20, 2003  
TO: Charles Abdelnour, City Clerk  
FROM: Councilmember Donna Frye  
SUBJECT: On-Line Campaign Filing

---

*Donna Frye*

The Political Reform Act of 1974 requires all

- candidates for state and local elective office,
- state and local elected officeholders,
- proponents of state and local ballot measures who control a ballot measure committee,
- committees supporting or opposing state and local candidates,
- and all measure and petition circulation committees,

to file campaign disclosure statements disclosing contributions received and expenditures made.

On November 21, 2000, the City of Sacramento enacted Ordinance 2000-048, requiring elected City officers, candidates or committees to file local campaign statements (Form 460) electronically, in a format prescribed by the City Clerk.

To assist filers in meeting this obligation, the City of Sacramento provides, free of charge, the SacCity On-Line Campaign Filing System.

I respectfully request a written report from the City Clerk detailing the feasibility and cost of instituting such a service at the City of San Diego. Thank you for your attention to this matter. I look forward to your response.
